Dear Albert J. Baldeo,

On behalf of the Working Families Party we would like to thank you for your recent contribution to our Spring Gala. Your generosity signals your commitment to building a more equitable and just society. Without your help the Working Families Party could not succeed. But we do succeed and, with your support, we have accomplished a great deal in the past seven years.

We have raised the minimum wage for more than a million New Yorkers, we have defeated Bush's Social Security monstrosity and now we are taking on health care. It is our boldest move yet. This year we are supporting legislation that requires large corporations, like Wal-Mart, to pay their "Fair Share for Health Care". We are also campaigning to get 200,000 votes on the WFP line for Eliot Spitzer and the rest of the Row E candidates this November.

We don't get there on our own. It is only with the ongoing support and faith of people like you that we reach our goals. We are always learning, building, and growing. Thank you again for your commitment to the Working Families Party and all that we represent.

Sincerely,
